## **WRITTLE MINORS FC Match Day Rules**

Firstly, a warm welcome to you and your child to Writtle Minors Football Club. We trust you enjoy your visit to Paradise Road and hope you can help everyone do the same by following a few rules.

- 1. No verbal or physical abuse of match officials or opponents**
- 2. No alcohol to be consumed on the field.**
- 3. No Dogs on the fields, even on leads.**
- 4. Please observe the 10 mph speed limit down the track.**
- 5. Please park between the yellow tape lines shown on the fences.**
- 6. No Parking on the track leading to the car park.**
- 7. No warming your team up on the pitches, especially in goal mouths until 5 minutes before kick off time. Use the areas near your pitch.**
- 8. Please remember to take any drink bottles, cups and any other rubbish with you at the end of the game.**

The pitches are an important part of the players learning environment and only Match officials, Team officials and Players are allowed onto the pitches. Parents please do not go on to the field of play for any reason.

It is club policy that on match days, **all spectators stay behind the ropes down the touchlines (the RESPECT barriers erected on both sides of the pitch)** and we also remind parents not to stand next to the goals.

**Please do not arrive more than half an hour before your allotted kick off time as parking spaces are very limited (how about car sharing?) so please help by parking within the marked parking bays, this is indicated by yellow tape where the fencing is in the car park or white marks on the floor where the sleepers are.**

Thank you for your co-operation in all these matters.

**David Beckett, Chairman, Writtle Minors Football Club.**
